**Note:** Data is provided for the entire municipality of the Villages of Nyack, Pomona and Spring Valley, as well as their portions that are split between multiple towns.

**Note:** Land Area is based on 2010 square mileage as determined by the Rockland County Department of Planning. Land Area was derived by subtracting the 2010 Census inland water area, as determined by the U.S. Census Bureau, from the total area.

**Note:** Population Density was derived by dividing the total population by the total land area estimate. Land Area for Rockland County may not add up to exactly 173 square miles due to rounding.
